

# Happy Fathers' Day

## A Father's Day Prayer

Almighty God, today we ask You to bless all the fathers and men of our community. Give them the courage and

strength necessary to unconditionally love and all others and the insight to honestly deal with life's challenges and uncertainties. Make them icons of steadfastness in Your service, bearing witness to Jesus as Savior and Lord.

Heavenly Father, we ask You to shower Your blessings upon all of our living fathers and men. Bless them with health, happiness, good humor, patience and length of days.

We further ask You to shower Your blessings of repose upon our deceased fathers and men, keeping them in a place where there is no pain, sorrow or mourning.

As we ask Your blessings upon the men of our Community, O Father, we ask You to bless us, helping us to become persons who unconditionally love others as ourselves. Help us, O Father, to be persons who give life to others by the way we respect and treat them. AMEN.

**Eternal Memory! Вічна пам'ять!  
Many Years! Многая Лита!**
